

RULES for HFM INTERNAL COMPETITIONS

The various internal competitions form an important part of our programme. They enable members to learn from those who excel, from mistakes of others and to entertain the members.

These competitions have their own rules and for the benefit of new and old members the most relevant of these are as follows:-

The movies submitted must have been completed within the previous two years of the particular competition, and should comply with HFM Competition Rules. The entrant must have been fully responsible for all aspects of the making of the movie and must have been the prime person in direct control of all stages of the production and completion.

Entries will not be accepted that exceed 15 minutes in length, unless considering the other videos submitted and in the judgement of the Competition Secretary there is enough time for the video to be shown. This would allow longer videos to be shown in less popular competitions such as nature and documentary.

Details of the entry in accordance with the rules must be given to the Competitions Secretary by the specified date before the particular competition.

Membership

Membership of the society is open to all members of the public over the age of 16 subject to the approval of the Committee.

Committee

President
Ken Mills OBE LACI
